Fine Handmade Guitars.

Spec Sheet.

Duplicate 4 string, fretted, bolt – on neck for Christoph Navratil # 150302

Neck: Bolt on neck of hard maple with 2 carbon fibre bars. A two way acting trussrod is built in. The headstock is faced with Indian rosewood.

Fingerboard: Indian rosewood with MOP position markers. Scale length is 863mm. Micarta nut.

Machines: Schaller M4 black with space for Hipshot D tuner on low E.

Frets: 22 Dunlop 6110 (Fender bass type)

Top: None.

Body: None

Bridge: None.

Finish: Silk AC lacquer.

Strings: None.

Pickups: None

Circuitry: None

Controls: None

Comments: All woods selected for tonal quality and appearance. This is a duplicate fretted neck to be used on the body of the ASAPDBass

This neck was made by hand for Christoph Navratil who has quite a lot of my basses!
